“ *One thing I remember about Big CB was the last we spoke. He told me,
“You know what you gotta do. Do it. People going to say what they going to say and if you worried about that you aren't ever going to be happy. You're family going to love you rather good or bad. That's what matters. Forget everyone else, alright”
I was facing one of the biggest struggles of my life and that helped me carry on through it.
Thanks big cous, Enjoy your peace.*
