“ *I want to show my love for my Niece and Nephew's during the difficult time of losing their Father and my Brother Darren Alston Sr. I pray that God gives them strength. Darren was a soft big Teddy Bear. He did so much for everyone he could help including his City. "No" was not in his vocabulary. He was a Big Brother instead of being the Baby Brother. And the Best Father to all his Children & Grandchildren. God Bless Darren's Sole and May he Rest in Heaven Peacefully! We will Always Love You Forever and Ever.💔 Amen*
