“ *Dora was an original member of the McCullough Middle School staff. She was our bright face and voice that greeted students, parents, and staff in the main office our first year. She could always be counted on to greet you with compassion and kindness. She was a calming force in our first year of chaos. As she moved to other locations in the building, she brought that compassion and kindness with her. May she rest in peace and may the memories of her bring comfort to all.*

Sincerely, Betsy Fleetwood

“ I had known Dora , many of us called her Mae since we were teenagers. I truly consider her as a lifelong sister and friend. One memory of Mae that will always remember is that in August of 1968 Mae worked in Philadelphia just a few doors from the Military Induction Center. I was able to stop at Mae's workplace for a cup of coffee before I headed to the Airport. Over the years that topic would come up occasionally. I would remind Mae how much it meant to see a familiar face before I headed off for Basic Training. Mae was truly one of the most generous and kind hearted persons that I have ever known. Mae will be truly missed by many people. Farwell my friend, I pray that God has welcomed you into his Kingdom to reunite and reside with love ones that have gone on before you. 🙏🙏🙏

Ms Dora was like a 2nd mom to me. She welcomed me into her family with opened arms and treated me with kindness. I've know her for over 10 years and after I moved away she stayed in touch with me. Her birthday is the day before mine so we always texted one another with "happy birthday" messages. She would often send me text messages that she was thinking of me and she loved me. How broken my heart 💔 is knowing she has passed away. But I know that God has welcomed her into his arms. 🙏 She loved everyone and everyone loved her. 💖 She was one in a million. Rest well beautiful Dora McKinzie 🙏
