“ *My mother Susan Ford worked with you at Chilton. What began as a working relationship quickly turned into a life time of joy, celebrations and sisterly affection. Mom cherished you and the wisdom you brought with you. When Mom passed away, you were there for me in so many ways. I will miss our gatherings and our talks. But mostly reminding me to "trust and believe in the Lord. He's in charge." God bless you. Sending love from Kim and Kathy Tucker, Diane and Jackki Davenport and Wilbur Ross.*

“ *Prayers of comfort, strength and peace for the family and loved ones of Mom Esther. I had the opportunity to chat with her often as I braided her hair. She was a great listener, intercessor and prophet. She loved her daughter, Crystal unconditionally. She was a gem and will be greatly missed.*

“ *Sexy Momma as she was affectionately called by me. I loved her. We had talks like girlfriends would have with each other. That's how she got the name Sexy Momma from me. Magalish as she would call me, I will miss the talks and reminiscing about life. Now Sexy Momma doesn't have to worry about the things of this world. She is now with our Lord and Savior. What a way to enter into the kingdom, on the day she was brought into this world. Rest well Sexy Momma, you will be forever missed* 🌹
