May 30, 1955 - September 5, 2021

Born in Fayetteville, North Carolina, she later moved to Chester, Pennsylvania with her family. She graduated from Chester High School in 1973.

Jacquelyn's first major job was with General Motors and she later worked for Bell Atlantic Business Services which later became Decision One. In Chester, Jacquelyn was known for working at Video Tape Center. She was also known for often working multiple jobs. In her spare time she enjoyed writing poems about loved ones, writing and singing songs, watching movies, listening to music (especially Whitney and Beyonce), and going shopping.

“ *Jackie was always smiling, fun to be around and just loving. I remember when we use to go down to Virginia to see Michelle and all the way there she would just say something that was just make you laugh. I also like when she would put "Hey" in front of a person name when she wanted to say something. I have so many fond memories with Jackie but there's not enough room to place in on this screen. Jackie, I have known you, and the McDonald family for 51 years or more and you took me as a little sister when me and Michelle met. I will always have my memories of you. Rest In Peace Jackie and when you enter those beautiful gates of heaven and see all the family and friends there, just rejoice, hug, kiss and laugh with them. Rest In Heavenly Peace Jackie, You will truly be missed.*

“ *So many memories. Mrs. Jackie and my dad known each other 8 years before Kia and I were born. I was always over when I asked or when Kia wanted me over or when my dad needed a break from me.*

*I remember so much. When I wanted my hair done, Mrs. Jackie always braided my hair. I never had my mom so she was the closest and only woman who was that mother figure to me when I needed it.*

*I remember every-time I was getting my hair done I wouldn't sit still before I wanted to play. Kia and I would leave school a bit early and she Mrs. Jackie would pick us up or wait with me until I took the bus home. Mrs. Jackie helped my dad a lot too especially when I hit puberty and had that time of the month and when my chest started growing, etc. She even did my dads taxes for a while and I learned how to file of my own as well. Kia and I are like sisters. Rest in heaven Mrs. Jackie.*
