“ *Jerome was one of the best neighbor's I could have asked for when I moved from Connecticut to Brookhaven. This became more evident when I met Alice We knew this was special because neither one of us met many people who shared our name. I know early on I showed her my Alice in Wonderland doll I received from one of my best friends children.*

*Jerome was such a caring, special gentleman. Since our Building at Traditions still has 10 of 15 condos have original owners we truly have has wonderful neighbors.*

*Jerome will be truly missed.*
