“ *Kimie Hop.....what can I say...you are truly going to be missed by my babies Hook and Kimyra. There was never a time when I came home to visit, you ALWAYS threatened me that I better spend a day with you. Kimmie, your sense of humor, that fast walking to get to wherever you needed to go. Take your rest now. The battle is over and now you are resting in God's arms. The Pharr Girlz will always love you.*

“ What can't I say about my girl Kimmy? I thank you for all of the laughs you gave me when we worked together at Granite farms. You we're always that person to come to when your day wasn't good. I didn't know it would be that last time I talked to you months before, when I called you about putting you down as a reference for my daughter, I'm so glad, we had that friendship that... we could always pick up, where we left off from. I'm so sorry I didn't know you were sick, I would have definitely came and spent more time with you! Thank you, for always keeping it real about everything. It's now your time, your no longer in pain my friend, your now free, so rest well in heaven my friend 🙏🙏🙏❤❤ love your crazy butt, and I'll keep your family in my prayers 🙏🙏🙏❤❤
