

## Pearl F. Dallam

May 19, 1951 - September 16, 2024

Pearl Francine Dallam, daughter of the late Franklin Walker and Ruth Anna Walker was born in Chester, Pa. on May 19, 1951. She was to be named Francine Pearl Walker but her grandmother, Pearl Gibbs, completed the paperwork and submitted it naming her Pearl after herself. While most of her family referred to her as Francine her sisters affectionately referred to her as Frannie.

Francine was educated in the Chester Upland School District. It was there she met her late husband William E. Dallam. Together they raised two fabulous daughters, Dina and Pamela.

Francine worked for many years at Mars Electronic in West Chester, Pa. assembling dollar bill and coin units for automatic vending machines. Those units are still used today. She retired from Mars Electronics, Inc. when the plant moved their operations in 2001.

During her retirement you could find Francine, with Dina riding shotgun, transporting her grandchildren to and from school, games, performances or practices. They were always on time. They attribute their love for 'good music' to the time spent riding in Mom-Mom's back seat. She always had the radio tuned in to WWJJZ 106.1.

In her spare time, she loved puzzles, word games, trivia and specifically scrabble. She dominated these games; she was the one to beat. She was also the family sweet potato pie baker.

She was preceded in death by her husband William E. Dallam and her father, Frankin Walker. She leaves to cherish her memory, daughters Dina Dallam and Pamela Adams (Tobin, Jr.); granddaughters Tamera Randolph (Bill), Rickia Dallam and Taylor Adams; one Great-Grandson William Randolph IV; her mother Ruth Anna Walker; and her siblings Keith Walker, Karen Walker and Dawn Anderson (Mike); and a host of nieces and nephews.

Lovingly submitted,  
The Family
