“ *Dear Kathryn and Family, it is with sadness to hear of the passing of my friend and co- worker, Ralph Justice. We had such a joyful working relationship at Scott Paper. He was one of our most capable supervisors and a great support to the medical department. Please Know that it was an honor to have worked and laughed with him.
May God continue to Bless and Keep You and the Family, as you go through this most trying time.
Most Sincerely,
Mae H. Riley BSN, R.N.*
