“ *Ronnie was my 1st cousin. He was so kind. We spent alot of time together as children because his mother had 3 boys and I was the only girl in Pa. His mother would keep me,do my hair,buy me clothes. As I got older she would take me to the best restaurants in the area tried to teach me how to sew. No problem for Ron he treated me like a sister Wille and Bruce the baby too. Although we did not see each other much as we got older he was in my thoughts as all my cousins He will be truly missed.*
