December 14, 1937 - March 30, 2023

Vera Toy was one of four children from the union of the Late Carrie Boyd Toy and Sterling Toy. Vera was the youngest of her four siblings born on December 14, 1937 in Chester, Pennsylvania. She quietly departed this life on Thursday, March 30, 2023 at Crozer-Chester Medical Center.

Vera was educated in the public schools of Chester and graduated from Chester High School. She was a very good student and very active in playing sports during her high school years.

She was a lifelong resident of Chester where she lived and raised her family. Vera accepted God at an early age. In her early years of growing up, Vera was a member of Providence Baptist Church and later in life transferred her membership to Grace Community United Methodist Church. Vera was active until her health started to decline.

Vera was a very caring and loving daughter and a wonderful mother to her two sons. She cared for her mother until she was called home to be with the Lord.

Vera was an avid bowler and won many trophies to demonstrate her skills in bowling. She organized a family bowling group where the family met every week to bowl. She also served as the Treasurer for the Thorogood-Boyd family reunion committee.

Vera was very studious and was employed by the Burroughs Corporation with their systems manufacturing group. She received numerous awards for completing specialized course work. She was also employed in food service at the Philadelphia airport. She later retired from Unisys Manufacturing.

Vera was preceded in death by her significant other, Warren Bordley, her parents, her siblings, two grandsons; Dominic Toy and Yemel McMillan, and great granddaughter, Jazmin Toy.

She leaves to mourn her memory: two sons, Kevin Toy of Chester, PA; Brian Toy of Chester, PA; one daughter-in-law, Rhea Toy of Chester, PA; six grandchildren; twelve great grandchildren; one niece; many cousins and friends.

“ *I remember Vera as a bright face that made my life easier at work each and every day. I would get upset and she would pull me to the side and say don't worry about this. It's temporary, and you will be alright just be calm. I loved seeing her in the pantry at Dobbs International and as beautiful as she was outside, she was as beautiful inside. I didn't know that she passed. So, I'm saying until we meet again Vera. I'll miss you here.*

“ *Vera Toy was a kind and loving grandmother to my children. Even though things changed with the family: her feeling towards me never changed. We continued our relationship of mall outings and dinners together. She will be greatly missed and forever in my heart. Dawn Hill-Jones*
